

PRODUCT-DETAILS

# 3BSE041882R1

## CI840A PROFIBUS DP-V1 Interface

| General Information   |                                                                                               |
|-----------------------|-----------------------------------------------------------------------------------------------|
| Product ID:           | 3BSE041882R1                                                                                  |
| ABB Type Designation: | CI840A                                                                                        |
| Catalog Description:  | CI840A PROFIBUS DP-V1 Interface                                                               |
| Long Description:     | For redundant communication interface two CI840A, and one TU847 or one TU846 must be ordered. |
| Display Name:         | 3BSE041882R1                                                                                  |

| Additional Information |                                                                                               |
|------------------------|-----------------------------------------------------------------------------------------------|
| Medium Description:    | For redundant communication interface two CI840A, and one TU847 or one TU846 must be ordered. |
| Product Type:          | Communication_Module                                                                          |
| Technical Information: | For redundant communication interface two CI840A, and one TU847 or one TU846 must be ordered. |

### Ordering

|                        |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| HS Code:               | 851762 -- ELECTRICAL MACHINERY AND EQUIPMENT AND PARTS THEREOF; SOUND RECORDERS AND REPRODUCERS, TELEVISION IMAGE AND SOUND RECORDERS AND REPRODUCERS, AND PARTS AND ACCESSORIES OF SUCH ARTICLES;Telephone sets, including smartphones and other telephones for cellular networks or for other wireless networks; other apparatus for the transmission or reception of voice, images or other data, including apparatus for communication in a wired or wireless network (such as a local or wide area network), other than transmission or reception apparatus of heading 8443, 8525, 8527 or 8528;Other apparatus for the transmission or reception of voice, images or other data, including apparatus for communication in a wired or wireless network (such as a local or wide area network);Machines for the reception, conversion and transmission or regeneration of voice, images or other data, including switching and routing apparatus |
| Customs Tariff Number: | 85176200                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |

Dimensions

|                             |        |
|-----------------------------|--------|
| Product Net Depth / Length: | 96 mm  |
| Product Net Height:         | 119 mm |
| Product Net Width:          | 54 mm  |
| Product Net Weight:         | 0.2 kg |

Environmental

|                      |                                                            |
|----------------------|------------------------------------------------------------|
| RoHS Information:    | Following EU Directive 2011/65/EU                          |
| WEEE Category:       | 5. Small Equipment (No External Dimension More Than 50 cm) |
| Number of Batteries: | 0                                                          |
| SCIP:                | 3d7bbb51-4c08-4199-9c77-84e434b071e3 Estonia               |
